<b>Document Number/Title:</b> DOE/RL-98-22, Rev 0, <i>Surveillance and Maintenance Plan for the Uranium Trioxide (UO<sub>3</sub>-Plant) Facility</i>		<b>Date Document Last Issued:</b> January 1999
<b>Originator:</b> Stuart Kretschmar		<b>Phone:</b> 373-5941
<b>Summary Discussion:</b> <p>Currently, surveillances to the 224-U and 224-UA buildings are conducted on a quarterly basis. The changes consist of revising the surveillance and maintenance (S&amp;M) plan to reflect the change from quarterly to annual surveillance for these buildings.</p> <p>The quarterly surveillances performed over the past years have provided extensive information about the interior of the 224-U and 224-UA buildings. These areas have been surveyed on a quarterly basis for several years, and there is a sufficient body of data to show that no contamination spread has occurred or is expected to occur. Therefore, it is requested that the surveillance frequency be changed from quarterly to annual.</p>		
<b>Justification and Impact of Change:</b> <p>With this request, minor changes need to be made to the existing S&amp;M plan for the U03 Facility (DOE/RL-98-22). These changes are documented below:</p> <ol style="list-style-type: none"> <li>Section 2.3.1, third bullet. Change from "Quarterly entries into the yard areas and the 224-U and 224-UA building for surveillance." to "Annual entries into the yard areas and the 224-U and 224-UA building for surveillance."</li> <li>Section 2.3.1, fourth paragraph. Change the first sentence from "The quarterly surveillance entries of the U03 Facility will consist of a walk-through..." to "The annual surveillance entries of the U03 Facility will consist of a walk-through..."</li> <li>Section 9.0.            Change            "Quarterly surveillance            \$30K"    to            "Annually surveillance            \$7.5K"</li> </ol>
